Athens overnight (D)

DAY 2: WEDNESDAY 2 SEP - ATHENS

The Athenians - Paul came to teach the philosophers that there is in fact a God who is real and can be known!

We begin our pilgrimage with a tour of **Christian Athens** including the **Acropolis**, the **Areopagus** and the **Ancient Agora** Ⓜ where Paul preached about Jesus and the resurrection. Later we will come to the **New Acropolis Museum** with its celebrated exhibition of Greek antiquities and statues which vividly illustrate the myriad of pagan Gods Paul was battling against. After a rest back at our hotel we will enter the lively Plaka district to dine this evening at a typical **Greek Taverna** with live Athenian music and atmosphere.

Mass Setting: *St Denis Cathedral.*
Athens overnight (BD)

DAY 3: THURSDAY 3 SEP - CORINTH

The Corinthians - It was here the Lord spoke to Paul and told him to 'speak ... no one will attack you' (Acts 18:9-10); many were baptized and came to believe.

Set out towards Corinth today as we firstly come to the world renowned **Olive Grove of the Nikolaou Family** dating back to 1833. Learn more about the ancient tradition of olive oil production techniques going back centuries. Onwards to the great ancient outdoor theatre of **Epidaurus** where we will marvel at the architectural symmetry of this 4th Century BC structure built by the architect Polykleitos.

Enjoy our afternoon exploring **Ancient Corinth** Ⓜ where Paul lived for two years as a tentmaker. Visit here the ancient ruins and see the site where he preached the Gospel from the **Rostrum**. See the **Peirene fountain**, and the 6th century BC Temple of **Apollo** before an outdoor Mass in this stunning pilgrimage setting.

We retire this afternoon to our hotel adjacent to the ancient **Port of Cenchreae** where St Paul set sail for Syria after making a personal vow and shaving his head. (Acts 18:18)

Mass Setting: *Outdoors in Ancient Corinth.*
Corinth overnight (BD)

DAY 4: FRIDAY 4 SEP - VIA HOSIOS LOUKAS TO METEORA

We travel north today to spend time at the remarkable Byzantine **Monastery of Hosios Loukas**, built in the 10th century on the slopes of Mt Helikon and overlooking a picturesque valley teeming with olive trees. In 1990 UNESCO included this site on their World Heritage List. On arrival we will celebrate an outdoor Mass here in the grounds of the walled Monastery before being taken on a guided tour of the **Churches, crypt and surrounds** where we admire the amazing frescoes and mosaics with their characteristic gold background dating back to the 11th Century. Ⓜ

We continue north this afternoon to the small town of **Kalambaka** built at the foot of the majestic grey rocks of **Meteora**.

— Helen Dingle

DAY 5: SATURDAY 5 SEP - METEORA EXPLORATION

The Monastics - The Meteora monasteries were inspired by the monks' love of God and a life striving to become open to the Fathers heart through monastic life and asceticism.

We spend some time today marvelling at this unique phenomenon of nature - 24 perpendicular rocks where 600 years ago Byzantine monks chose to worship God and build their cave-like Monastic community of **Meteora**. Ⓜ We will visit some of these living monasteries by foot and view the extraordinary collection of priceless religious frescoes and

other treasures that will certainly make this a remarkable day.

Enjoy some free time this afternoon.

Mass Setting: Kalambaka.

Kalambaka overnight (BD)

DAY 6: SUNDAY 6 SEP - VIA BEREA TO KAVALA

The Bereans - *The Jews 'received the message with great eagerness and examined the Scriptures daily to study the merits of all Paul had preached to them.'* (Acts 17:11)

Today we journey north by coach to Berea (modern Veria). The "Bema" - an impressive monument to Paul - is believed to incorporate the steps from the original synagogue from which he preached the gospel to the Jews, who welcomed the word of God and began to study the Scriptures (Acts 17:10-12).

T A small church was established here and we will also view the 'hidden churches', a collection of about 20 Byzantine structures, camouflaged in the form of barns from the invading Ottoman Turks.

The Thessalonians - *St Paul preached during the winters of 49-50AD and wrote the two epistles to the ancient Thessalonians.*

Our time this afternoon in Thessaloniki will include the ramparts of the city, the triumphal Arch of Galerius, as well as the Rotunda where we can see pieces of the pulpit from which Paul preached. View the Roman Agora where he also preached. Nearby we shall visit St Demetrios' Church dedicated to a Roman soldier who converted to Christianity and was later martyred. View its valuable mosaics and frescoes before descending in to the crypt where we find the remains of some ancient Roman baths and streets.

Finally travel along the ancient route of the Apostle Paul to the port city of Kavala (ancient Neapolis), once named "Christoupolis" after being the first European city to accept Christianity. It was here that St Paul, St Timothy and St Silas first landed from Troas (Acts 16:11), one of the foundational moments in the history of Christianity.

Mass Setting: Thessaloniki.

Kavala overnight (BD)

DAY 7: MONDAY 7 SEP - VIA PHILIPPI TO THESSALONIKI

The Philippians - *Here Paul founded the first European church in Philippi and Lydia was baptised as the first European convert to Christianity.*

Journey out to Philippi, named after Philip II, father of Alexander the Great. It was here that St Paul won his first European convert, a woman named Lydia, from the city of Thyatira (Acts 16:12-40). Visit the Baptistery of Lydia for a beautiful outdoor Mass in this breathtaking oasis on the River Zygaktis, and to renew our Baptismal vows. Visit the market place (where St Paul and St Silas were brought before the rulers) and the cistern which tradition identifies as the place where St Paul was imprisoned. In the ancient theatre we will hear the story of Paul's arrest, imprisonment **T** and miraculous release.

We depart Philippi and journey east along the ancient route of the Apostle Paul via Amphipolis (Acts 17:1) where we view the ruins of many Christian basilicas.

Mass Setting: Outdoors at Baptistery of Lydia. *Thessaloniki overnight (BD)*

DAY 8: TUESDAY 8 SEP - VIA ISLAND OF KOS TO PATMOS

Return to Athens this morning and fly to the beautiful Island of Kos rich in Greek and Roman landmarks and boasting a quaint harbour dominated by the Neratzia Castle.

Visited by St Paul on an overnight stop on route from Miletus to Rhodes, Kos had a reputation as a Centre of Healing evidenced here by the archaeological site of Asklepiion (the god of healing) founded by Hippocrates in the 3rd Century BC. **T** During our afternoon visit, we will see the Church of the Visitation, Monastery of St John, the Church of the Lamb

of God among other sites.

Enjoy some free time to wander through the streets of the Old City to catch a bargain before a meal in a local Taverna together. In the evening we will take a passage by Ferry to arrive later into the Holy Island of Patmos for our privileged two night stay.

Mass Setting: Church of the Lamb of God, Kos. *Patmos overnight (BD)*

DAY 9: WEDNESDAY 9 SEP - PATMOS DAY (Rev 1:4)

We begin our tour with a walking tour of the main square of the village of Chora. This is the traditional settlement and capital of Patmos where the narrow streets were designed to ward off pirates over the centuries. Ascend to the Monastery of St John the Beloved, a huge fortress-like building dating from the 11th century, for a visit and celebration of Mass.

T Our exploration of this living monastery will culminate with time in the actual Cave of Revelation where God chose to reveal to St John the mysteries of the last book of the Bible - the Apocalypse.

Enjoy a leisurely afternoon before a lively night in a Greek Taverna as we soak in the atmosphere of this amazing island.

Mass Setting: Monastery of St John the Beloved. *Patmos overnight (BD)*

than two years in his missionary journey.

See the **prison of St Paul**; walk through the ancient marble streets founded in the 10th century BC and see this most 'complete' Roman city providing us with an excellent window into Imperial Rome. See the **Temple of Hadrian**, the **Library of Celsus**, the enormous **amphitheatre** (Acts 19:29-31). We ascend the hill to the **House of the Virgin Mary** where it is said Mary spent the later years of her life. We celebrate our group Mass here in one of the chapels. Finally, we visit the restored remains of the 6th century **Basilica of St John at Celcuk** where a small church was originally built over the tomb of St John the Evangelist.

DAYS 2-4: SAT 29 AUG TO MON 31 AUG - THE MEDJUGORJE PILGRIMAGE – (BD DAILY)

"I have come to tell the world that God exists ... that peace is necessary for the salvation of the world. Mankind must be reconciled with God and with one another". These words came as a soothing balm to a troubled world and were first spoken by Our Lady to six village children in June 1981. Since then, a legacy of remarkable events has turned Medjugorje into one of the world's most acclaimed pilgrimage places. For more than 30 years up until the present day Our Lady has been appearing on a daily basis to give countless messages to the children. Some of these messages are private, some are for all people and some contain secrets that Our Lady has revealed to the children about future events of the world. Healings, miracles, wonders and conversions – these have been occurring for so long. Endless streams of pilgrims over the years have come to receive these graces and return to their homelands renewed.

The activities here will be evenly proportioned by our guide throughout the stay to allow time for rest and personal retreat. Each evening we should be advised of the following day's agenda, as many events in Medjugorje are spontaneous. Here are some of the highlights we hope to include:
